

Zoho Recruit

Introduction

This document will help you synchronize your Central Test and Zoho Recruit accounts

1 - Install **Central Test Assessments** plugin

Configuration > Marketplace

The screenshot shows a web application interface with a dark blue header and a light grey sidebar. The main content area is white and displays the 'Central Test Assessment' plugin details. The sidebar contains a search bar and a list of configuration categories. The main content area has tabs for 'All Extensions', 'Installed', and 'Mises à jour'. The 'Installed' tab is active, showing a confirmation message that the extension is already installed.

 Central Test Assessment

Central Test is an assessment platform to assess the candidates and get the right hire for your organization.

Cette extension est déjà installée dans votre compte.

[View Extension Details](#) | [Fermer](#)

2 - Select a username and a password

The screenshot displays a web application interface with a dark blue header containing navigation links: Accueil, Postes à pourvoir, Candidats, Entretiens, Clients, Contacts, Rapports, Tableaux de bord, Prévisions, and a menu icon. A left sidebar is titled 'Configuration' and includes a search bar and a list of categories: Général, Utilisateurs et contrôle, Personnalisation, Gestion des CV, Configuration du portail, Site Web Carrières, Hub du site d'offres d'em..., Automatisation, and Marketplace. Under Marketplace, 'Marketplace' is selected, and other options include Zoho, Google, Microsoft, and Zapier.

The main content area is titled 'Extension Details' and shows information for an installed extension:

- Nom: Central Test Assessment
- Version: 3.0
- Installed by: hyacinthe.edjeou@centraltest.com
- Short description: Central Test is an assessment platform to assess the candidates and get the right hire for your organization.
- Status: Active

Below this is the 'Integrations' section, which includes a 'Connection for Zoho' entry. The 'Extension Settings' section is circled in red and contains the following fields:

- Login for accessing webservices: demo
- Password for accessing webservices: demo

3 - Configure the username and password in your Central Test Account

Account management > Settings and customization > Settings

Make sure you have the webservice option activated or ask your salesman for it

The screenshot shows the 'Account management > Settings and customization' page. The left sidebar contains navigation items: Dashboard, Participants, TALENT MATCHER, Assessments, Product catalog, SMART INTERVIEW, Statistics, Order, Your orders, Resources, Help, and Contact us. The top right shows 'Account management', 'My companies', and 'Mazzoli adrien - Sphynx'. The main content area is titled 'Account management > Settings and customization' and has sub-tabs for 'Settings', 'E-mail customization', and 'Interface customization'. The 'Settings' tab is active, showing the 'General information' section with the following fields:

Name of sender	Sphynx - Test Adrien Mazzoli
Default display language	Français (FR)
<small>If set to empty, the language will be inherited from the web browser.</small>	
Login for accessing webservice (*)	demo
Password for accessing webservice (*)
Assessment completed Webservice URL	https://recruit.zoho.com/recruit/v2/functions/centraltestassessment.assessmentCompletionUpdate/actions/ex

A red oval highlights the 'Login for accessing webservice (*)' and 'Password for accessing webservice (*)' fields.

4 - Copy the notification URL from your Zoho Recruit account to your Central Test account (**Assesment completed webservice URL**)

Configuration > Automatisation > Actions > Custom actions > Complete Assessment Details

The screenshot displays the Zoho Recruit configuration interface. A modal window titled "Afficher une fonction personnalisée" is open, showing details for a custom function named "Complete Assessment Details".

Afficher une fonction personnalisée

Nom: **Complete Assessment Details**

Description: Custom Function to fetch the additional details on the report from Central Test and populate the same.

Module associé: Central Test Assessments

Mappage des arguments

Mettez en correspondance les arguments de cette fonction et les champs Zoho Recruit appropriés. Vous pouvez également spécifier des valeurs personnalisées pour ces arguments.

Nom	Valeur
assessment_id	= Central Test Assessments.Assessment ID
centraltest_username	= zohorecruit.centraltestassessment.Central_Test_User_Name
centraltest_password	= zohorecruit.centraltestassessment.Central_Test_Password
pkid	= Central Test Assessments.Id Central Test Assessments

The background interface shows the "Configuration" menu on the left, with "Automatisation" selected. The main area displays "Fonctions personnalisées" with a search bar and a list of functions. A "Configurer une fonction personnalisée" button is visible at the bottom right of the modal.

5 - You are ready to Go

The screenshot displays a CRM interface for a candidate profile. The top navigation bar includes 'Accueil', 'Postes à pourvoir', 'Candidats', 'Entretiens', 'Clients', 'Contacts', 'Rapports', 'Tableaux de bord', and 'Prévisions'. The main content area is titled 'Miss Martha Hills (Sample)' and features a red circle around the 'Export to Central...' button. The left sidebar contains a menu with 'Informations', 'Chronologie', 'Pipeline d'embauche', 'Postes à pourvoir associée', 'LISTE ASSOCIÉE', 'Remarques', 'Évaluations et Avis', 'Pièces jointes', 'Entretiens', 'E-mails', 'Soumission au client', 'SMS', 'Évaluations répond...', 'Événements sur inv...', 'Actions', and 'Central Test Asses...'. The 'Central Test Asses...' item is circled in red. The main content area shows sections for 'SMS', 'Évaluations répondues', 'Événements sur invitation', and 'Actions'. The 'Central Test Assessment' section is circled in red and contains a table with the following data:

Central Test Assessments Name	Adresse E-Mail
Martha Hills (Sample) Assessment
